IN CASE OF A
MEDICAL EMERGENCY
CALL: 911

Dr. Lawrence Pierce

Dr. Lawrence Pierce has been practicing medicine in the McKinney and Allen area for almost 30 years. A graduate of the University of Texas, Southwestern Medical Center of Dallas, Dr. Pierce completed his internship and residency at Parkland and St. Paul Hospital in Dallas. Dr. Pierce is board Certified in Obstetrics and Gynecology. He has served as Chief of the Medical Staff at both Medical Center of McKinney, and Presbyterian Hospital of Allen. Currently serving as the Medical Director of Express HEALTH, Dr. Pierce is expanding his medical practice to care for your family and treat primary and urgent care needs. His hobbies include his kids and cars!

Charles Gravely, PA-C

Charles Gravely has been practicing in the McKinney area for the past nine years. Mr. Gravely is a PA (Physician Assistant) and is certified nationally by NCPA (National Certification for Physician Assistants). Mr. Gravely completed his medical education at the University of Texas, Southwestern Medical Center of Dallas. He specializes in Worker's Compensation and holds a multitude of certifications in Industrial Medicine. However, his passion is family and urgent care for which he has been caring for families since 1991. In his free time he enjoys outdoor sports. Mr. Gravely enjoys helping and educating the families of his community and looks forward to meeting and working with you and your family

Express HEALTH, Family and Occupational Medicine can meet your need for convenient care for minor injuries and illnesses.
